A Quote from Hillary

The quote of the day, no, of the week, make that a month.

Yet it probably is quote of the year!

No. DECADE.

Wait, it is the greatest quote ever.

“My accomplishments as Secretary of State? Well, I'm glad you asked! My proudest accomplishment in which I take the most pride, mostly because of the opposition it faced early on, you know... the remnants of prior situations and mindsets that were too narrowly focused in a manner whereby they may have overlooked the bigger picture and we didn't do that and I'm proud of that. Very proud. I would say that's a major accomplishment.”

- Hillary Clinton 11 March 2014;

Could someone please tell me what the hell she just said?

And she may be running for President?
